Artwork copyright is the property of the GlaxoSmithKline Group of Companies All suppliers providing a service to GSK for printed components of any description must ensure that they have a licence for all fonts / software used in conjunction with GSK artwork. The distribution and use of fonts / software without a licence constitutes an intellectual property infringement. GSK will not accept any liability for the breach of third party intellectual property rights by printed component suppliers. The GSK certification / audit process requires suppliers to declare that they do not use unlicensed fonts / software and may require the supplier to produce evidence of such licence to GSK.	
ATTENTION • ATTENTION	
To Ensure Accurate PDF Viewing and Printing: FOR SCREEN VIEWING: Use Adobe Acrobat 7 Professional or Adobe Acrobat Reader, Standard or Professional (higher than 7). Overprint Preview must be activated for accurate on screen viewing. FOR PRINTING: Use only Acrobat Professional version 7 or higher. “Apply Overprint Preview” or “Simulate Overprinting” must be activated in the print settings for printing accurate hard copies.
